

Floorball Levels

Open to all

This offering does not require a specific level of ability and is open to all Unisport participants.

N1

This level is specifically designed for players who want to learn basic technical skills (passing and shooting) and tactical elements in floorball.

N2

The prerequisites for taking part in this offering are

- Proficiency in tactical moves (e.g. give-and-go, crossing)
- Understanding the phases of play (defensive and offensive)
- High level of technical skills
- Knowledge of the most important rules (e.g. stick hit)
