

# Levels Archery

## Open to all

This offering does not require a specific level of ability and is open to all Unisport participants.

## N1

You do not have to meet any prerequisites to take part in N1 training. These training sessions will teach you the basics of archery.

## N2

In order to take part in the N2 training sessions, you must be able to operate the bow independently and without the help of another person. You are also familiar with the relevant safety regulations.
