

# Levels Ski

## Open to all

This offering does not require a specific level of ability and is open to all Unisport participants

## N1

Beginners with very little or no previous experience. You are still in the beginner's area and can't slow down safely yet.

## N2

Skiers who can ski down easy, flatter slopes (blue) in a snow plough and slow down safely.

## N3

Skiers who can ski down medium-steep slopes (red) smoothly and already have some experience of parallel skiing.

## N4

Skiers who can ski down steep slopes (black) smoothly and safely in parallel skiing position.

# Level Snowboard

## Open to all

This offering does not require a specific level of ability and is open to all Unisport participants.

## N1

Beginners with very little or no previous experience. You are still in the beginner's area and can't slow down safely yet.

## N2

Snowboarders who can take turns on both sides on an easy, flatter piste (blue) and slow down safely.

## N3

Snowboarders who take smooth turns on both sides on medium-steep slopes (red) and already have some experience with their first tricks on the slopes.

## N4

Snowboarders who go down smoothly and safely on both sides on steep slopes (black).
