

Level Snowboard

Open to all

This offering does not require a specific level of ability and is open to all Unisport participants.

N1

Beginners with very little or no previous experience. You are still in the beginner's area and can't slow down safely yet.

N2

Snowboarders who can take turns on both sides on an easy, flatter piste (blue) and slow down safely.

N3

Snowboarders who take smooth turns on both sides on medium-steep slopes (red) and already have some experience with their first tricks on the slopes.

N4

Snowboarders who go down smoothly and safely on both sides on steep slopes (black).
